

Infinity Loop Scarf - Easy Knitting Pattern

Add a splash of color and designer flair to any outfit with this easy to make infinity loop scarf. It is a lot easier to make than it looks, and knits up very quickly. The infinity loop scarf is made using light worsted (double knitting/8 ply) yarn, and size 6 (4 mm) knitting needles. You only need one 4 oz skein (100g ball) to complete the scarf. The approximate circumference of the finished infinity loop scarf is 25 inches (63 cm), but you can easily alter the length during the knitting process if you wish.
