ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE For essentials or 1 credit hour courses in Study Skills, Student Success, Freshman Seminar or University 101. This text unlocks every student's potential to succeed in college, career, and life by challenging them to realize, it's not just what you know, it's what you know how to do. Keys to Success Quick offers the hallmark of the Keys to Success series: success in College, Career, and Life through building analytical, creative, and practical thinking skills. This thinking skills framework challenges students - but with a less-is-more approach. Keys Quick will help students develop and personalize best practice tools, build skills in context of each topic, and gain self-knowledge via Quick Check self-assessments. 0321944100 / 9780321944108 Keys to Success Quick Plus NEW MyStudentSuccessLab 2013
