

Knitted Animal Hats

By combining simple knitting techniques with soft and colourful yarns, Fiona Goble has created a fantastic collection of 35 animal hats, ranging from cute and cuddly to wild and woolly. Choose from hats for tiny babies such as Buzzy Bee, Tweet the Robin or Rudy the Rabbit, or make something to keep bigger kids cosy, from Blizzard the Reindeer (complete with bright red nose) to Otto the Octopus. Most of the hats can be made in a range of sizes and many of them come with matching accessories, such as boot toppers, wrist warmers and baby booties. Each hat has easy-to-follow instructions and uses the simplest of stitches, with clear step-by-step illustrations and photographs to help with the all-important features, making this ideal for beginner knitters as well as more experienced ones. With essential yarn information as well as a helpful techniques section, you'll be ready to start knitting gorgeous animal hats in no time.
