

Fables Vol. 15: Rose Red

The next collection in the New York Times best selling series. Rose Red, sister of Snow White, has finally hit rock bottom. Does she stay there, or is it time to start the long, tortuous climb back up? The Farm is in chaos, as many factions compete to fill the void of her missing leadership. And there's a big magical fight brewing down in the town square, right under her window.
