

## The Murders In The Rue Morgue: Short Story

When the mutilated bodies of Madame L'Espanaye and her daughter are found in the rue Morgue, detective C. Auguste Dupin is faced with the most puzzling case of his career as witness accounts contradict each other and key evidence from the perpetrator does not appear to be human. The Murders in the Rue Morgue is recognized as the first detective story and the model for Sherlock Holmes and Hercule Poirot. A pioneer of the short story genre, Poe's stories typically captured themes of the macabre and included elements of the mysterious. His better-known stories include The Fall of the House of Usher, The Pit and the Pendulum, The Murders in the Rue Morgue, The Masque of the Red Death and The Tell-Tale Heart. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms.
